

Lehigh Valley Engineering Council
Minutes for April 7, 2010
Council Meeting Held at Packard Lab 324 – Lehigh University

1. Engineers Week Banquet – Recap and Feedback

- a. Speaker - We have received positive feedback on Andy Herrmann's presentation.
- b. Location – The consensus is that Holiday Inn is a good location for us because of the space they provide for both the social hour and the banquet, and because of the acoustics of the room. A complaint was that their ability to hook up a computer to their sound system was inadequate.
- c. Schedule/Length of Program – There was some discussion concerning the length/content of acceptance speeches. Perhaps next year the Engineer of the Year should give a 3-5 minute speech and the Young Engineer of the Year should accept the award without giving a speech. All honorees should be reminded that the banquet attracts a diverse group of attendees.

2. Middle-Atlantic ASEE Conference (April 16 & 17)

- a. As discussed via email, LVEC will sponsor the Middle-Atlantic ASEE Conference (\$250)

3. Nominations for Next Year's Officers

- a. Please start to consider whether you may be interested in an officer position next year, or if you know someone in your member society that may want to be more involved.
