6. Discussed Member society invoices. Board decided to try to send out invoices for 2015/2016 year in September and have a due date of early November. Discussed and approved not trying to recoup other outstanding 2014/2015 dues since dues that were paid were mixed with other meeting payments and tracking was not completed of who paid what. **Discussed making sure dues and meeting sponsorship payments are tracked separately in the future year. Include high quality logo. Draft invoice to Rich. Bob-Spreadsheet for society contacts. Email for update**
7. Alan provided an update on LiN Cream from Air Products. Air products no longer providing service free of charge. LVEC to inquire about paying for the ingredients to continue having the LiN Cream at event due to popularity. Will wait for later in the year to contact Air Products. Board does not have issue with fees or expenses within reason. Will be dependent on speaker and overall cost. Board seemed to think \$500 to \$1000 total is reasonable if needed.
10. Discuss general plan and timetable for 2015-2016 season. Reviewed timetable and Board decided #1 priority is speaker decision as well as new contacts for sponsorships.
11. Board discussed distribution list for meeting minutes.
